

Weekly Work for 3/17/20 – 3/20/20

The following assignments are for the remainder of this week. Students can feel free to “double up” on subject areas for the day. These assignments are very similar to what we would do in a normal day. Students should be familiar with all of them and know what is expected. All work should be turned in when school opens. Please feel free to send a “Remind,” call, or text at any time with questions. I will touch base every morning via Remind or e-mail to say “hello” (but not add more homework ☺)

Reading and SSR Journal

Read for 30 minutes each day and then respond with a question, summary, prediction, or connection to the reading. This should be completed in their notebook as we normally do. Feel free to complete more than one per day if it helps with planning for the week. You need a total of 4 responses in your journal.

Vocabulary

Finish unit 9 practice in your vocabulary books. Half of it was (or should have been) completed last week.

Math

Log in to “e-spark” 3 times, for approximately 30 minutes each session. I will be able to monitor your activity and see how you are doing. Each student should have their individual login information and password from Friday at school. If not, I can send it. See the attached link or simply search “espark learning” on your browser.

Social Studies

Read pages 298-305. Complete Quiz 1 and also answer #6, Narrative Writing of Lesson 1 Review, on page 305. Write your answer on the back of the quiz. Mrs. Strube’s e-mail is Marstrube@aol.com if you would like to contact her directly with questions.

Again, please feel free to contact me with any questions. All of this is new territory for each of us. I will keep all of you in my prayers.

God Bless,

Mr. Chatel
