

# Trinity Lutheran Preschool Activities

## Week of April 6-10, 2020

Dear Preschool Families~

Happy Easter! I pray this finds everyone happy, healthy and safe. Below is the list of preschool activities for next week. I hope everyone is having fun with your child and the activities. Thank you for the cards, pictures and videos each day. I look forward to seeing the children. I miss all those smiles! ☺

If anyone needs anything at all, please do not hesitate to contact me. I pray for you all daily.

God's blessings to all. HE is Risen!! HE is risen indeed!!

Mrs. Kienitz

Done	Subject	Activity
_____	Math	Compare common things like plants, toys, people, words, etc. Look for opposites~ Tall/short In/out Up/down Over/under Front/back Big/little Before/after
_____	Reading	Read spring/Easter stories. As you are reading, look for the letters in your name and point them out. Write your name every day. How many letters of the alphabet can you write?
_____	Science	Take a walk outside and find as many things as you can that are beginning to grow. Draw some of the things that you found and send me a picture! ☺

---

Jesus

This week, we celebrate Easter! Draw and decorate an Easter picture or make a project for Easter. Projects may include colored eggs, a play-dough creation, a stained glass project, etc. The possibilities are endless! When you are finished, take a picture of your creation and text it to friends and relatives and tell them Jesus is alive!! Say a prayer and thank God for sending Jesus to take away your sins. Pray for family and friends.

---

Gym

Ride, push, or pull things that have wheels. You can use items such as tricycles, bikes, wagons, etc. Go outside every day and play with wheeled items. Have fun!

**Remember to read at least 15 minutes a day!**
