

Trinity Lutheran Preschool Activities  
Week of April 20-24, 2020

Dear Preschool Families~

I pray this finds everyone safe. Thank you for all the wonderful pictures and videos you have been sending. Keep them coming! I'm glad to see you all happy and healthy and I look forward to seeing everyone during our Zoom meetings. ☺

**Zoom for 3 year-olds—Friday, April 24, at 11am**

**Zoom for 4 year-olds—Friday, April 24, at 1pm**

God's blessings to all and have a great week!

Mrs. Kienitz

Done	Subject	Activity
_____	Math	Look for and compare opposites~ many/few quiet/noisy more/less good/bad smooth/rough hard/soft left/right Count to 20, and practice writing numbers 0-20.
_____	Reading	Earth Day is Wednesday, April 22. Read books about our earth. This could include stories about forests, oceans, flowers, ways to take care of our earth, pollution, etc. Draw a picture of something you <b>love</b> about our earth. Write your name on the picture and write words describing your picture (mom or dad may help with the words).

_____	Science	Expanding on Earth Day, can you plant something? It could be planting seeds, or transplanting plants or trees. If you don't have something handy to plant, can you make flowers to attach to sticks or pencils to "plant" in a pot or in the garden? (What do plants need to grow~soil, water, sun, and air.) Plants are very important to our world! Have fun!
_____	Jesus	Read <i>Genesis 1:1-25</i> (children's bible, books, or YouTube has nice <i>Genesis 1</i> videos for children). Talk about all the awesome things God put on our earth. Sing "He's Got the Whole World in His Hands." Say a prayer and thank God for making our beautiful world.
_____	Gym	Go outside every day, if you can, and enjoy the beautiful world that God made. Run, walk, climb, skip, roll, and spin, anything that is active in the fresh air!

**~Remember to read at least 15 minutes a day~**
