

7th and 8th Grade Schoolwork
March 23 – March 27th

English/Language Arts

Sustained Silent Reading (SSR) and Journal – Read for 30 minutes and respond in your journal with a question, summary, prediction, or connection to what you read. Complete 4 of these this week. Please read on 4 separate days. In other words, do your best not to “double up” on these.

Letter Writing – Follow the link below. It will take you to a pdf document that shows an example of a “Business Letter” and “Friendly Letter.” Decide which type of letter you would like to write and use the pdf as your guide. Save the letter in Google Docs and name the document “Letter Writing.” Be sure to save it in your writing folder that I can view. If you would prefer to hand write the letter, take a photo of your letter and send it to me via e-mail, text, or Remind.

Math

Begin working where you left off the last time you worked in the textbook. Work for 30 minutes, 4 different times this week. Try to spread it out over the week. Keep track of each day’s work in your math notebook by recording the date each day. Work through the section(s) and complete guided practice problems. Your goal should be to make it to the final “practice” at the end of each section. Some of you may complete a section. Others may complete several. Just do your best.

Vocabulary

Finish “Unit 10 Practice” as we normally would. Don’t worry about the Unit 9 test from last week or Unit 10 this week. Just complete the entire Unit 10 practice.

Social Studies

Read Pages 306 – 317. Take quizzes 2 and 3. Then take the Chapter Test including questions 18, 19, and 20.

Science

No science this week. If school continues to be delayed, we will alternate between science and social studies.

Confirmation

Please see pastor’s e-mail from last Friday. Everyone should have his or her catechism books to use as a reference. If not, please let me know and we can get a copy to you.

Please compile all your work from these two weeks and be prepared to bring it back to school on April 6th. Please contact me if questions arise. I would love to help!
